Overview

This guide walks a new user through registering on the DBASupport customer self-service portal (Zoho Desk) and submitting a support ticket. It covers account sign-up, e-mail invitation acceptance, password creation, profile setup, and ticket creation.

Step 1: Open the Sign In Page

Navigate to the DBASupport portal sign-in page.

Step 3: Enter Registration Details

Complete the sign-up form with the following details, then click Sign Up:

- Name — your full name
- Email — a valid, accessible e-mail address
- Captcha — enter the text exactly as shown in the captcha image

Step 5: Create a Password

Accepting the invitation opens the Create Password page. Enter and confirm a password that meets the requirements shown on the page, then click Confirm.

- Password cannot be the same as the user name
- Minimum length: 8 characters
- Maximum length: 250 characters
